

Ticket to Green Fundraising Program

The organization refers their supporters to our retail store during a set time frame and receives 20% of the total purchases (pre-tax) back as a commission for sending us the customer.

The program details are as follows:

- This program is only available to true fundraising organizations such as youth athletics, school programs, scouting troops, etc.
- The fundraising chairperson must register on our website (www.lyndegreenhouse.com) under the Fundraising tab. Contact Kate Barnard at 763.310.3342 or kate@lyndegreenhouse.com if you have any questions.
- Each organization will sign up for a specific time frame for making qualifying purchases. This year (2023), we are offering the month of May Monday-Friday. No weekend days are eligible.
- The commission is 20% of the sale, not including sales tax.
- All goods qualify for commission except gift cards, landscape and/or delivery services.
- We will provide a customized PDF "Ticket" for the organization to print and distribute to use for the month of May (5/1-5/31 *excludes Saturdays and Sundays).
- All supporters must bring in a "Ticket to Green" or show a copy of the ticket on your cell phone or device during the set time for the purchase to qualify.
- Our cashiers will record the purchase on the "Ticket" and keep it for accounting purposes.
- Each supporter can make several purchases if a new "Ticket" is presented each time.
- Our employees will not provide "Tickets" to your supporters under any circumstances.
- "Tickets" may not be distributed on our site. Violation of this rule may result in disqualifying your organization from any commissions earned.
- Gift cards may not be used as payment for a Ticket to Green purchase.
- We will mail a check to the organization's chairperson 2-3 weeks after the fundraiser has ended.
